The Wall Street Truth They Never Told You

01 – Two Types of Money in the Market

02 – What Hedge Funds Actually Do

03 – The Information Gap Is Closing

MODULE 02

MODULE 01 > TWO TYPES OF MONEY IN THE MARKET

The Wall Street Truth They Never Told You

How the game is REALLY rigged and how to flip it

01 – Two Types of Money in the Market

02 – What Hedge Funds Actually Do

03 – The Information Gap Is Closing

Two Types of Money in the Market

Money

Smart Money

Dumb

Here is the thing about **The market is a wealth transfer machine.**

Money flows from the winners to the losers in the economy, corporations, and individuals.

Your job at The Chrome Traders University is to help Clients Make Money. Not lose it. You just need to understand how the game works.
